VISIT BKCU ON INTERNATIONAL CREDIT UNION DAY-OCTOBER 20th

Service to members, democratic control and social responsibility are more than just words to credit unions. These are the core principles that separate credit unions from other financial institutions and have allowed the movement to thrive for over 160 years. On **October 20th**, BKCU will join with more than 217 million credit union members worldwide in celebration of **International Credit Union Day**.

Come by the office for refreshments, special giveaways and to register for our drawing to win a deposit to your share account (one \$50 & two \$25 deposits) or other prizes that will be given away in honor of this special day!
